

IMPLEMENTATION SUPPORT

Thank you for purchasing the award-winning Avaya Partner® Small Office Edition (SOE), ideal for small and medium businesses, telecommuters and homeowners. For your convenience an installation instruction booklet is included.

As a leader in communication services and support,  TELE-MOVERS, INC is committed to helping you get the best value, reliability, and use from your communication solutions.

Partner SOE is customer installable.  TELE-MOVERS, INC Offers Remote Technical Support (RTS). Our team will walk you through the basic plug and play process and/or help you configure the system software to take full advantage of the Partner SOE features if you need assistance.

Rates as of January, 2006 - Prices subject to change;
